

Dreams

Dreams...
Some are big,
others are small.
You've got to decide,
you can't have them all.

Dreams...
Some are just scary,
others are not.
A few you remember,
most you forgot.

Dreams...
Some are strange
others are clear.
Sometimes,
they are filled with fear.

Dreams...
Some can tell the truth,
others a lie.
Some are relentless,
but never ask why.

Dreams...
Some make you think twice,
others just once.
Some can give you an advice,
they can come by surprise.

Dreams...
Some are possible,
others are not.
But you have to dream on,
because sometimes it's all you got!
