

GO OUT!

Go out,
to the open shore,
Go out,
it's what you're looking for,

Go out,
till you finally see,
Go out,
the opal blue sea!

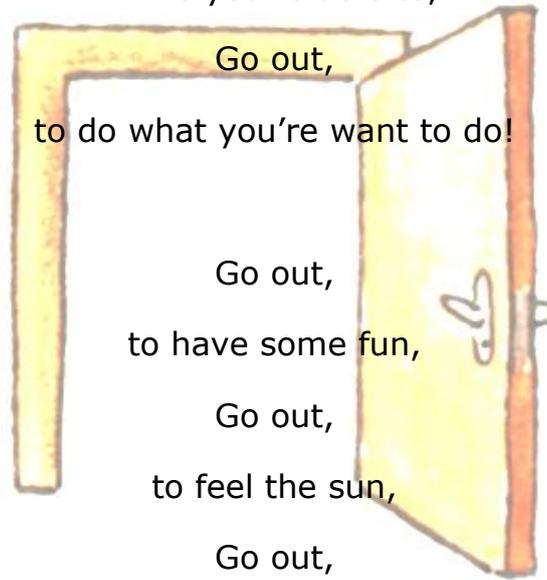

Go out,
to touch the sky,
Go out,
don't be all too shy,
Go out,
this is paramount,
Go out,
to hear a different sound!

Go out,
to some foreign lands,

Go out,
to make some friends,

Go out,
while you're able to,

Go out,
to do what you're want to do!

Go out,
to have some fun,

Go out,
to feel the sun,

Go out,
without delay,

Go out,
to enjoy every day!

Go out,
to travel far,

Go out,
by foot or by car,

Go out,
to show who you are,

Go out,
to become a star!

Go out,
to be bold and keen,

Go out,
to chase your dream,

Go out,
to fill the line,

Go out,
to praise your time!

Go out,
to never mind,

Go out,
to be one of a kind,

Go out,
even if you're all alone,

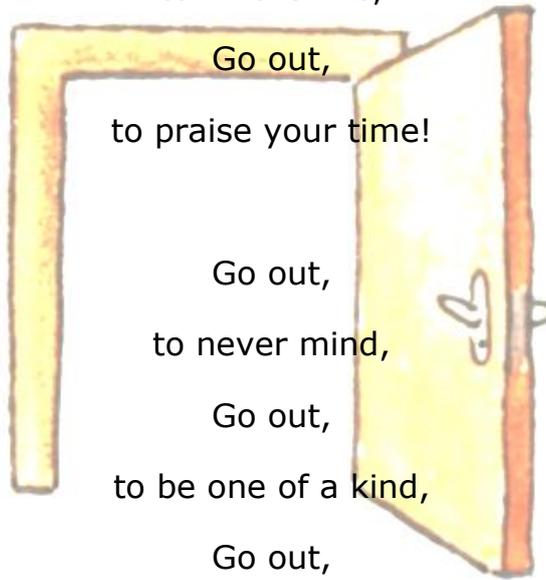

Go out,
don't stay at home!

Go out,
to where the birds do sing,

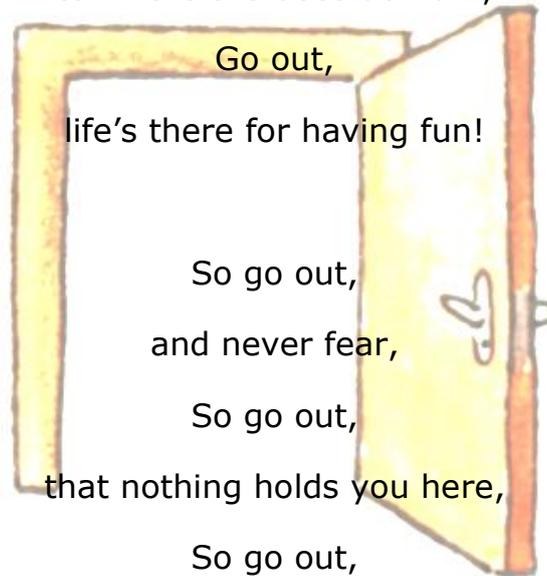

Go out,
to always do your thing,

Go out,
to where the mountains stand,

Go out,
to do what others can't!

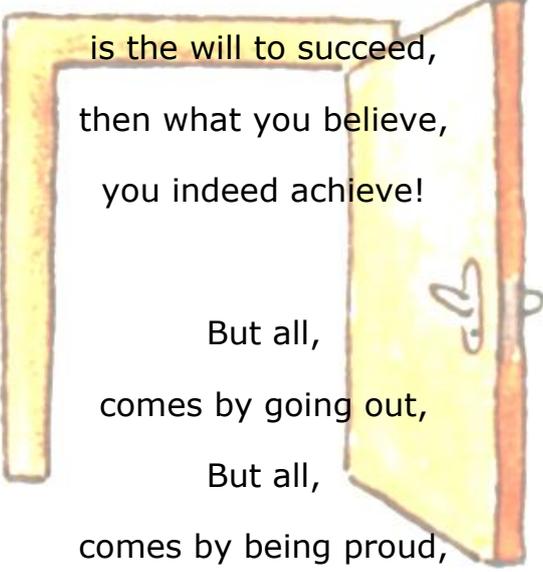

Go out,
to where the dogs do bark,
Go out,
to always leave your mark,
Go out,
to where the bees do hum,

So go out,
because what holds you tight,
So go out,
is that life can be bright!

And never,
lock you up inside,
And never,
leave your hopes behind,
And never,
hide behind the walls,
Because never,
life goes all too false!

So look up,
keep up,
and live it up,
and never stop,
to feel on top,
because all you need,
is the will to succeed,
then what you believe,
you indeed achieve!

But all,
comes by going out,
But all,
comes by being proud,
But all,
comes by boxing back,
But all,
comes when you follow your track!

And then,
you can do it all,
And then,
you topple every wall!
And then,
this poem has been closed,
Only when,
your spirit was aroused!
